

SEEKING STUDY PARTICIPANTS

Safe, Legal... and Inclusive?

A Mixed-Methods and Arts-Based Study Exploring
Trans People's Experiences
Accessing Abortion Care
in Canada

ELIGIBILITY

- ✓ 14 years of age or older
- ✓ A trans person

Someone who identifies differently from the gender they were assigned, whether or not they claim “trans” as a part of their personal gender identity

- ✓ Must have accessed or attempted to access medical, surgical, or self-managed abortion in Canada at least once

STUDY PHASE 1

2-hour virtual interview

Answer survey and interview questions about your abortion experiences and thoughts about “gender-affirming abortion care”

\$50 honorarium

STUDY PHASE 2

Create art

(e.g., poetry, painting, photography, etc.)

1-hour virtual follow-up interview to discuss the art and creation process

\$50 honorarium
